# Migration from SUSE OpenStack Cloud to Vanilla/Distribution

Cloudical offer for migration from canceled SUSE OpenStack Cloud to a new vendor

## MIGRATE FROM SUSE OPENSTACK TO VANILLA OR DISTRIBUTION WITH EASE!

OpenStack is the leading infrastructure as a service (IaaS) solution to realize open-source based private or public cloud solution.

On October 9th 2019 SUSE canceled to SUSE OpenStack Cloud development. Current users have the choice to stay on SUSE OpenStack Cloud until end of support or migrate directly to an alternative platform.

With our OpenStack Experts, we ensure your success on the migration from SUSE OpenStack Cloud to Vanilla or Distribution OpenStack.
